Information for Group Leaders – EYH 2026

For full registration of your students, you need the following information:

- Partner for workshops if wanted/needed
- Lunch choice
- Shirt size
- Dietary restrictions
- Emergency contact information
- Gender identity
- Pronouns
- Workshop choices: see eyh.cornell.edu for options
- Lab tour choices: see eyh.cornell.edu for options

You can also give the Student ID to the parents/guardians to fill out!

Check in Process:

- Registration is between 7:30-8:45 as well as breakfast. With larger groups, please arrive earlier in that window for the check in process to go smoothly.
- If you have pre-grouped students before the day of EYH, PLEASE line up your students in this order. This will make the buddy pairing much faster.
- Some notes for check in:
    - We will pair your students up for the day and be giving them into our care. At the end of the day, there will be a check out process. Please see that section of the document.

During the day:

- Please make sure you have given us a good daytime phone number for the day of EYH. If not, please email us at cornelleyhreg@gmail.com to update this information.
- If you are not accompanying students that day, you are free to tag along with different student groups.

Check out process:

- At the end of day, before the raffle, we will have a sign in/check out process. This will return the students from our care into your care.
- As a group leader, please find the table at the end of the day with your group name. We will funnel the student/buddy pairings to that table where an EYH chair will assist you in signing that student back in.
- Once all the students in your group are signed in to your care, we will give you the box of t-shirts for your group to give out.
